

# Licence to Drive Heavy Combination Vehicle

## AGB Training currently offers Licence to Drive Heavy Combination Vehicle.

This unit involves the skills and knowledge required to obtain a licence to drive a heavy combination vehicle. It includes systematically and efficiently controlling all vehicle functions, monitoring traffic and road conditions, managing vehicle condition and performance, coupling and uncoupling of trailer, and effectively managing hazardous situations.

Assessment of this unit will be undertaken within a licensing examination conducted by, or under the authority of, the relevant state/territory driver licensing authority.

This short course is made up of a unit taken from **TLI31216 Certificate III in Driving Operations**.

### Entry Requirements:

You must have held a current Australian Car Licence for at least 24 months, including a MR or HR licence for at least 12 months, Manual experience is preferred.

AGB Training requires the applicant to successfully complete

- Language Literacy and Numeracy (LLN) Assessment
- Pre-Training Review
- Enrolment Application Form

**If you are taking any prescribed medication or have a medical condition AGB requires a medical clearance form that is available from VicRoads. The forms can be downloaded from the VicRoads website.**

### VicRoads Approved Provider

Industry based male and female trainers available.

### Assessment:

Methods of assessment may include:

- Knowledge Evidence
- Direct demonstration and observation
- Role plays, case studies and presentations

### Packaging Rules:

To achieve this licence, the candidate must demonstrate a competency in 1 unit of competency.
