

# Skills First Quality Charter

## Preamble

Through the *Skills First* program, the Victorian Government is committed to providing high quality training that aligns with industry and community demands and workforce needs. *Skills First* sets a high benchmark for training quality, and is aimed at supporting the courses that are most likely to lead to employment.

*Skills First* is underpinned by rigorous requirements in the VET Funding Contract. The accountability requirements within the VET Funding Contract are aimed at guaranteeing value for money in taxpayer-funded training. The *Skills First* Quality Charter (the Charter) must be read in conjunction with the VET Funding Contract.

This Charter is intended to help Training Providers understand the Department's expectations of the provision of key aspects of Training Services. The Charter sets out what the Training Provider must do to satisfy the Department's expectations. The Training Provider must comply, at all times, with all parts of the Charter (including this Preamble). The Charter will be updated from time to time.

For the purposes of the Charter:

- terms have the same meaning as in the VET Funding Contract; and
- a 'student' means, as and when the case requires, an individual considering enrolling in or undertaking government subsidised training or an Eligible Individual.
