IMPORTANT INFORMATION

WHAT IS RECOGNITION OF PRIOR LEARNING (RPL)?

Recognition of Prior Learning (RPL) is an assessment process that assesses the competency of an individual that may have been acquired through formal, non-formal and informal learning to determine the extent to which that individual meets the requirements specified in the training package or VET accredited course for which RPL is sought. Where RPL is granted you will be considered to have already successfully completed the unit(s) of competency, and will not have to participate in training or assessment activities for that unit(s). In determining where RPL may be granted, the college must be confident of the currency of the applicant's competency. In fields where practical/technology is changing rapidly, RPL may not be granted.

Credit Transfer recognises formal education that you have previously undertaken. If you have successfully completed any units from the course in which you are enrolling, or the equivalent, you may be eligible for Credit Transfer. If eligible, you may receive exemptions from the units you have already completed. The units previously completed must be identical or equivalent to those in the course you are seeking credit for. Please complete APPLICATION FOR CREDIT TRANSFER form to apply for Credit Transfer for units completed at other institutions or against other courses.

AGB Training will recognise Qualifications and Statement of Attainments issued by any Australia Registered Training Organisation as well as consideration to a certified USI transcript. For more information pathways go to: www.agb.edu.au or send us an email to rpl@agb.edu.au along with your full name and contact number and one of our staff will give you a call for further discussions. As an enrolled International onshore student, if the study load falls below the standard full time study load, please attach a completed Application for Reduced Study Load form. Applications are available from policies and procedures <https://www.agb.edu.au/about/policy-and-procedures>.

Australian students should be aware that the granting of RPL could affect study leads and therefore eligibility for Austudy or Abstudy. If you are an onshore international student you need to check with the AGB Training International Team, that your Visa Status is not put at risk by the granting of RPL. Refer to the International Student Handbook. Future students will need to resubmit applications for RPL if they fail to enrol at AGB Training within 12 months of receiving notice of approval.

Please note that the awarding of RPL may disadvantage you in terms of meeting the requirements for membership of professional bodies (e.g. the accounting professional bodies have rigid requirements for granting of credits) and/or Federal Government requirements applicable to international students.

To discuss RPL further please contact us on +61 3 5221 2611 and ask for a Student Support Officer.
