**AGB Training currently offers Certificate IV in Mental Health.**

This qualification reflects the role of workers who provide self-directed recovery oriented support for people affected by mental illness and psychiatric disability. Work involves implementing community based programs and activities focusing on mental health, mental illness and psychiatric disability. Work is undertaken in a range of community contexts such as community based non-government organisations; home based outreach; centre-based programs; respite care; residential services, rehabilitation programs; clinical settings; or supporting people in employment. Work is carried out autonomously under the broad guidance of other practitioners and professionals.

**Mode of Delivery:**

Classroom, Blended, Workplace

**Assessment:**

Methods of assessment may include:

- Knowledge Evidence
- Direct demonstration and observation
- Portfolios
- Projects
- Role plays, case studies and presentations
- Work placement

**Pathways:**

On successful completion students will have the knowledge and skills required for further training in CHC53315 Diploma of Mental Health or other relevant qualifications.
